Blanket Fundraiser

There are many homeless and disadvantaged people in Sydney's inner city who don't have adequate shelter or blankets this winter to keep out the winter chill.

WHAT WE WANT TO DO: Our goal is to collect clean blankets, sheets and doonas then distribute them to those in need with the help of the Brown Nurses in Sydney's inner city.

WHAT CAN YOU DO? : Donate any clean blankets, sheets and doonas in good condition (new or used) to Blankfest by August 3 2009.

HOW: Contact Gemma or Emma to arrange a drop off or pick up.
